DUTIES OF POSITION (If this position is announced at multiple grade levels, these duties describe the full performance level; at lower grade levels the duties may vary slightly and will be performed under somewhat closer supervision.)

Incumbent serves as the lead NRC inspector at assigned plant. In this capacity, the individual conducts inspections to ensure licensee compliance with the provision of NRC licenses and regulations. Responds to and performs in-depth evaluations of incidents and abnormal conditions, determining the safety significance of each event, recommending enforcement action, and preparing reports of inspection findings and detailed licensee performance assessments. Incumbent

QUALIFICATIONS REQUIRED (If the position is announced at multiple grade levels, these qualifications describe the full performance level, unless otherwise specified. The position description, immediate supervisor, and/or NRC Manual chapter and Appendix 4106 can be consulted for more detailed qualification requirements and/or interpretation of qualifying experience.)

1. Candidates may meet the basic qualifications required by having at least one year's experience at the next lower grade level; or
2. Possessing a thorough knowledge of the theory, principles and practices in a field of engineering as evidenced by a bachelor's degree and 5 years experience, or an equivalent combination of education, training, and experience that would be eligible for certification through

particularly challenging.)

4. Demonstrated ability to communicate well, both orally and in writing.

(Describe specific experience, training, and accomplishments which demonstrate your ability to write on difficult technical subjects (e.g., complex inspection reports or evaluations). Describe specific experience, training, and accomplishments which demonstrate your ability to lead complex technical discussions and to consolidate diverse opinions into concise, balanced and well-founded recommendations; ability to establish effective working relationships with subordinates, supervisors, peers, and government and industry officials of diverse backgrounds to foster a motivated team atmosphere.

5. Ability to lead, train, and assess performance of other assigned inspectors and part-time office resident assistant.

(Describe experience, training, and accomplishments which demonstrate your ability or potential to lead a technical staff in: formulating goals and objectives; planning long and short-term program activities; establishing and controlling schedules of work products or programs; coordinating and managing technical personnel; and reviewing and evaluating technical findings and conclusions.)

ALL APPLICANTS ARE REQUIRED TO PROVIDE A NARRATIVE STATEMENT ADDRESSING THE RATING FACTORS LISTED ABOVE.

NOTE: Breadth of experience in the field, training, awards and commendations, and past and current performance will be reviewed as they relate to each of the above factors to determine the level of knowledge, skill, or ability of candidates.

ANY APPLICANT SELECTED FOR THIS POSITION MUST MEET THE ELIGIBILITY REQUIREMENTS OUTLINED IN THE AGENCY'S RESIDENT INSPECTOR RELOCATION BONUS POLICY, INCLUDING SIGNING A MOBILITY AGREEMENT.

GRAND GULF: RELOCATION BONUS 20%
